

WANT PROTECTION?

ABOUT THE CENTER FOR PATIENT SAFETY

CPS is a non-profit organization founded in 2005, and we've been working to improve patient safety ever since. We are one of the largest and most active PSOs in the country with an enhanced focus on patient safety through culture improvement.

OUR MISSION

To provide creative culture solutions to improve patient safety.

**SAVE LIVES, IMPROVE PATIENT SAFETY,
& REDUCE READMISSIONS WITH
PRIVILEGED, CONFIDENTIAL DATA.**

Join a PSO

Save lives, improve patient safety, and reduce readmissions with privileged, confidential data.

Any licensed provider can participate with a PSO and receive the protections, including but not limited to, emergency medical services (EMS), nursing homes, home health and hospice, pharmacies, hospitals, health systems, medical offices, and ambulatory surgery centers (ASC).

WHAT OUR CLIENTS SAY

“I am new to the PSO, and was given the opportunity to ask questions. The objectives of the PSO were explained to me in depth and I was walked through the data entry computer program. The assistance with everything was much appreciated.”

“Our work with the CPS PSO has far exceeded our expectations...The CPS PSO provided much needed assistance in understanding and defining our work processes.”

WHO CAN PARTICIPATE WITH A PSO?

Any licensed provider can participate with a PSO. CPS works with providers across the continuum of care, including hospitals, health systems, medical offices, ambulatory surgery centers, emergency medical services, nursing homes, home health and hospice, and pharmacies.

WHY JOIN A PSO?

- **Protect.** A PSO offers federal confidentiality and privilege protections of the Patient Safety and Quality Improvement Act of 2005 to all licensed health care providers.
- **Learn.** Working with a PSO offers sharing, learning and educational opportunities.
- **Prevent.** A PSO recommends proactive measures from lessons learned to assist in the prevention of future adverse events.

HOW TO SELECT A PSO?

With more than 80 PSOs with different from the next in it's offerings, outreach, capabilities, mission, etc, it's important to select the most appropriate PSO for your organization. Call us for more information at 888.935.8272.

IT'S EASY TO WORK WITH CPS!

The Center for Patient Safety is a highly active and engaging PSO. We have tools and resources to help you join our PSO quickly and efficiently. We help you every step of the way. Patient safety is all we do – and we want you to be successful!

WHAT DOES IT COST TO PARTICIPATE WITH THE CPS PSO?

Most PSOs charge for participation, others may build it in to a suite of services. CPS is a not-for-profit organization, dedicated to improving patient safety. Our annual charge is minimal and varies by provider. For hospitals, the cost is based on staffed beds. For other, smaller provider groups, a flat rate is available.
